SOCIAL SCIENCE EDUCATION (B.S.E.D.)

Objectives

The objectives of the EMES Department's Social Science Education Program are to guide students:

- To demonstrate knowledge of how to utilize knowledge of social science and social studies in planning and implementing effective lessons.
- To develop understanding of the basic logical processes and resources useful in information retrieval.
- To serve as facilitators for the total process of growing and learning.
- To locate, interpret, and apply research pertinent to social, cultural, and educational problems.
- To investigate and analyze the dynamic relationship between schooling, education, diverse cultures and societies with interpretive, normative, critical and comparative theory and methods.
- To derive the greatest benefit from classroom experiences as prepared prospective teachers skilled in the techniques of instruction.

¹ Restricted course that requires full admission to Teacher Education before enrollment.

Notes:

- Candidates that transfer 12 or more hours of college credit are exempt from UNIV 100 UNIVERSITY SUCCESS; however, the student must take 2 hours of general electives to replace the UNIV course.
- Online Graduation Clearance (to be completed during the graduating semester only).

Student Learning Outcomes

Upon completion of the Social Science Education Program students will be able to:

- Recall essential content knowledge, concepts, and tools of the social science discipline(s) that he/she will teach.
- Integrate self-reflection and knowledge of the social and cultural factors (race, gender, class, inequity, diversity, and social justice) that impact schools and communities to discuss and develop appropriate responses to social and/or educational problems and teaching scenarios.
- Design oral presentations using effective communication, educational technology, and social studies instructional strategies to foster inquiry and engagement of learners.
- Write formal and informal assessments to promote the continuous intellectual growth, social development, and civic competence of students.
- Develop a unit plan (five sequenced social studies lessons) that aligns with the required national and state standards for Social Studies.
