Notes:

- Candidates that transfer 12 or more hours of college credit are exempt from UNIV 100 UNIVERSITY SUCCESS; however, the student must take 2 hours of general electives to replace the UNIV course
- Online Graduation Clearance (to be completed during the graduating semester only).

Student Learning Outcomes

- Students will be able to recognize and recall major constructs, theoretical perspectives, empirical research findings, and historical trends in psychology.
- Students will develop skills in analytical reasoning, scientific inquiry, critical thinking, and the use of the scientific methods in investigating behaviors and mental processes through various research experiences.
- Students will demonstrate effective oral and written communication skills in their discussion of various psychological topics and perspectives.
- Students will be able to analyze psychological principles and ideas associated with multicultural competency, ethical conduct and social responsibility at a developmentally appropriate level.
